

Elijah Cummings Youth Program in Israel

With Generous Support in Memory of
Congressman Elijah E. Cummings and Jerold C. Hoffberger

Application for the Class of 2025

OUR VISION

A world guided by ambassadors of cross-cultural relations who demand high expectations of themselves and are committed to working for a better tomorrow.

Program Overview

The Elijah Cummings Youth Program in Israel (ECYP) is a two-year leadership fellowship that builds bridges between the Black and Jewish communities. ECYP is a partnership between the Baltimore Jewish Council and the late Congressman Elijah Cummings.

ECYP ALUMNI Over the past 24 years, the Elijah Cummings Youth Program in Israel (ECYP) has achieved tremendous success. In total, over 200 participants have completed the program. Our graduates have gone on to higher education and successful careers! Examples include a CNN news anchor, commercial airline pilot, Peace Corps volunteer, United States Naval Officer, entrepreneur in early childhood education programming and investment banker.

BENEFITS OF THE PROGRAM

- Acquire leadership skills
- Travel abroad to Israel
- Build new friendships
- Become a community leader and activist
- Obtain a better understanding of self
- Increase comfort in public speaking
- Receive service-learning hours
- Receive support throughout college and financial aid application process
- Receive support throughout college experience

HOW YOU WILL LEARN ECYP promotes a hands-on approach to learning. Fellows will have ample opportunity to interact with community leaders, facilitators and guest speakers. In addition to monthly training sessions, ECYP fellows perform community service throughout the year as mentors to middle school students to increase awareness of the community and provide the opportunity to serve.

ISRAEL TRIP After completing Year 1, ECYP fellows travel to Israel at no cost. They reside at Yemin Orde Youth Village in Haifa and are paired with displaced teens from over 24 countries including Ethiopia, Israel, South America, Europe and the former states of the Soviet Union.

The Israeli and American students tour historic sites in Israel, such as Jerusalem, the Jordan River and the Dead Sea. While in Israel, these young ambassadors attend workshops on diversity, Israeli culture, group dynamics and leadership. The Israel experience allows ECYP students the opportunity to gain independence, develop a respect and appreciation for other cultures, and reflect on their self-worth and character.

Salena Long, Class of 2009, reflects, *“Never in a million years would I have ever dreamed of visiting a foreign country. Traveling to Israel shed light on not just a place where my feet hit holy ground, but a place that resides in me; a place that let me know I am better than my circumstance and I have so much to live for. I walked away from my Israel experience compelled to make a difference in my life and in others.”*
